II. Personal Data Protection

1. **What data we collect:** On the Spejs Studio website, we collect personal data only through the contact form (Name, E-mail, Message text).
2. **Purpose of processing:** We process this data exclusively for the purpose of follow-up communication, replying to requests, or preparing a contract for work. We do not collect data for marketing newsletters.
3. **Processors (Third parties):** To send messages from the contact form, we use the external tool Formspree (Formspree, Inc., USA), which acts as a data processor. Data is transferred and secured in accordance with the rules of this platform and is not provided to any other third parties. Data transfer is secured based on the Standard Contractual Clauses (SCC) of the platform provider.
4. **Storage period:** We store the data from the form only for the time necessary to handle the communication.
5. **Rights of the data subject:** You can request the deletion or correction of your data at any time by sending an e-mail to spejs.zip@gmail.com
